Delivery charges

Flour is costly to transport and we are always on the look-out for ways to minimise both our costs and our carbon footprint by piggybacking on existing deliveries. We encourage customers to collect from the mill where possible and to seek out imaginative ways of keeping the cost of better flour and bread as fair as possible. Where we have to use commercial carriers, the following delivery charges apply:

	Boxes						Pallets	
Consignment weight	<17 kg	<34 kg	<51 kg	<68 kg	<85 kg	<102 kg	103kg-400 kg	>400 kg
